ONE MANUFACTURER. MANY SOLUTIONS.

CERTIFIED PREMIER INSTALLER PROGRAMS

Earn up to 2% Reward Benefits as WCPI

■ WAVENET CERTIFIED PREMIER INSTALLER (WCPI)

The **WCPI** program lets you market and offer Wavenet's 25-Year Warranty, covering U/UTP Category-rated cables, keystone jacks, patch panels, that covers parts, and labor. Enjoy peace of mind with professional, Wavenet-backed installations, through trusted distributors, project discounts, promotions, product updates, and priority tech support, all with **no fees** and easy **renewal every five years**.

Requirements

- Pass the 50-Questions WCPI exam administered by Wavenet's product management team.
- Have BICSI-certified staffs (RCDD, Installer Level 1&2) or equivalent U.S. based certifications approved by Wavenet.
- Maintain up-to-date industry related credential, insurance, and state license.

■ INSTALLER REWARDS PROGRAM (IRP)

Earn up to **2% reward** (Pre-paid VISA) on eligible Cable Management and Connectivity purchases **$5,000 or more every 90 days** (excludes Wire & Cable). Enjoy project registrations, volume discounts, competitive pricing, sales promotions, and product updates to support your project requirements.

Requirements

- Purchase(s) must be $5,000 or more from a single Wavenet 's authorized distributor.
- WCPI invoiced price(s) must be a total of $5,000 or more within 90 days from a distributor.
- Standard Wavenet products are eligible (no special/ custom orders).
- Must be a WCPI or submit a signed "Installer Rewards Program" form.
- Provide invoice(s) from authorized distributors (excluding returns).

■ 25-YEAR SYSTEMS PERFORMANCE WARRANTY

Protect your installations with **warranty coverage** against manufacturer defects, including replacement of Wavenet's **products** and **labor costs**. This warranty covers U/UTP Category-rated cables, keystone jacks, and patch panels, **excluding** outdoor or direct burial cables.

Requirements

- Submit a completed 25-Year Systems Performance Warranty registration form.
- Provide dated invoice(s) from Wavenet's authorized distributors.
- Provide labeled network wiring map(s) or floor plan(s).
- Provide the summary of test results from industry approved cable certification testers.
